Tension

It is important to check your tension before starting your garment. If there are too many stitches to 10 cm, your tension is tight and you should change to a larger size needle. If there are too few, your tension is loose and you should change to a smaller size needle.

Caution

It is essential to work to the stated tension, as we cannot accept responsibility for the finished product if any yarn other than the specified yarn is used.

Before starting to knit, read the instructions carefully and circle all figures relating to your size with a coloured pencil.

Notes for Motif Knitting

We recommend Milward yarn bobs for tangle free motif knitting.

When working from chart, do not carry colours across wrong side of work, but use separate balls as required, twisting yarns when changing colour to avoid a hole.

Read odd rows K from right to left and even rows P from left to right **unless otherwise stated**.

Drying Instructions

Do not dry handknits in harsh sunlight as fading or yellowing may occur.

Knit'n'Save DK - Do not tumble dry.

Background

Sew pants leg ribbing in place over colour change between top of legs and body working a stitch through back and front of ribbing at top of legs.

For Tom, using Taupe yarn make a st on each cheek to indicate dimples.

For Tilly, using Coral yarn, pull the yarn apart to make one strand only and sew tiny crosses on cheeks to indicate freckles.

HAIR

Using Bottle for Tiny, Bluebell for Tom, Azalea for Tilly work as follows:

Tiny and Tom only - Cut a piece of card approximately 12 cm (for width) x 4.5 cm (for length).

Wrap yarn around card in a single layer. Cut yarn along one edge of card.

Starting at lower edge just above neck, lay yarn onto head and back stitch into place along a line halfway along strands (foldline).

Continue in this way across head, then fold top half of strands down over bottom half and back stitch them into place just under fold.

Continue in this way making layers right up the head. At the top of head make a line of hair which folds down towards the face, and finally make a line of hair back stitching it into place between the two lines folded in opposite directions. Do not fold this one down.

Trim hair to shape.

Tilly only - Work in the same way as for Tiny and Tom but using card approximately 12 cm (for width) x 18 cm (for length).

To obtain Tilly's shaggy look, cut the top layer of yarn much shorter all over, leaving longer strands underneath and at the sides and front.

All Dolls - Using the same colour as hair, pull yarn apart to make one strand and sew over and over in an arch shape above eyes for eyebrows.
